Docket No. 98N-1265

Food and Drug Administration MAR 24 P1:40

5600 Fishers Lane

Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: My compounded medication alleviates  
symptoms that were previously  
debilitating such as depression, sleeplessness  
and especially anxiety. I'm through  
menopause for 3 yrs. and have gotten  
so much help from Women's Health  
Medison Pharmacy Associates.
